Homecoming '90

20th Century Showcase

This year's homecoming parade celebrated the coming of a new century. Each float represented a different decade ranging from 1920 to 1990. During the halftime ceremonies of the football game, a new homecoming queen was crowned. Sally Gargula, representing the class of '91, was crowned the 1990 Homecoming Queen by the 1989 Queen Sandy Solimenc. Nominated to the court were Rebecca Weddowes, 1st runner-up, and Debbie Shepard, 2nd runner-up.

Sixth Annual Christmas Magic

Those who entered the APR on December 8, 1990, entered into a room that was magically transformed into a Christmas Wonderland. A fun time was had by all who attended the Sixth Annual Christmas Magic Dinner Dance. The committee responsible for putting together such a great event included Angie Mazaika, Rob Hofstetter, David Bortz, Sean Schwartz, Andy Greenleaf, and Ken Petersen. The theme for this year's dance was "Rockin' Around the Christmas Tree" and that's exactly what happened.

Philadelphia Flower Show

Taking part in the Philadelphia Flower Show has always been a special event for the OH/ED program. Under the direction of Mr. Doug Kane, this year's display walked away with the PHS Award of Merit and a Special Achievement Award for excellence in education from the Garden Club Federation of Pennsylvania. The overall theme of the 1991 show was "Endless Spring." Our exhibit's theme was entitled "A New Day Dawning: Do or Die" which expressed the need for change in the way we landscape. The dark sun represented how our present philosophy will someday kill us. The bright sun introduced visitors to the new philosophy and demonstrated its techniques.

A fine day for running favored Del Val's annual running of the Turkey Trot, with over 260 runners finishing the 3.5 mile race. The race director is Dr. Bob Berthold DVC's Men's and Women's Cross Country Coach. He is assisted each year by the members of his coaching staff, team, other members of the faculty and the staff, returning alumni, and friends.

The men's course record of 16:04 set in 1984 by alumnus Jim Parsons was broken this year by Jim Norris and Steve Avy who tied in 16:00. Parsons did not defend his title due to an injury. Jan Yerkes won the women's title in a time of 19:13. Del Val "associates" winning prizes were graduates Bob Gabel and Ken McDaid in 4 and 8 place; and senior captain Art Ruediger in 14. Age group winners were freshman Chuck Holiday and Dr. Richard Lugar of the Chem. Dept. After the first 5 runners were scored, Ursinus College and Del Val College were in a dead heat, with the 6th place finish pushing Ursinus into the winner's circle. Ursinus also won the Lady's team championship and C. B. East won the high school race.

In conjunction with the race, the Doy-lestown Hospital sponsored a Health Fair in the gym.

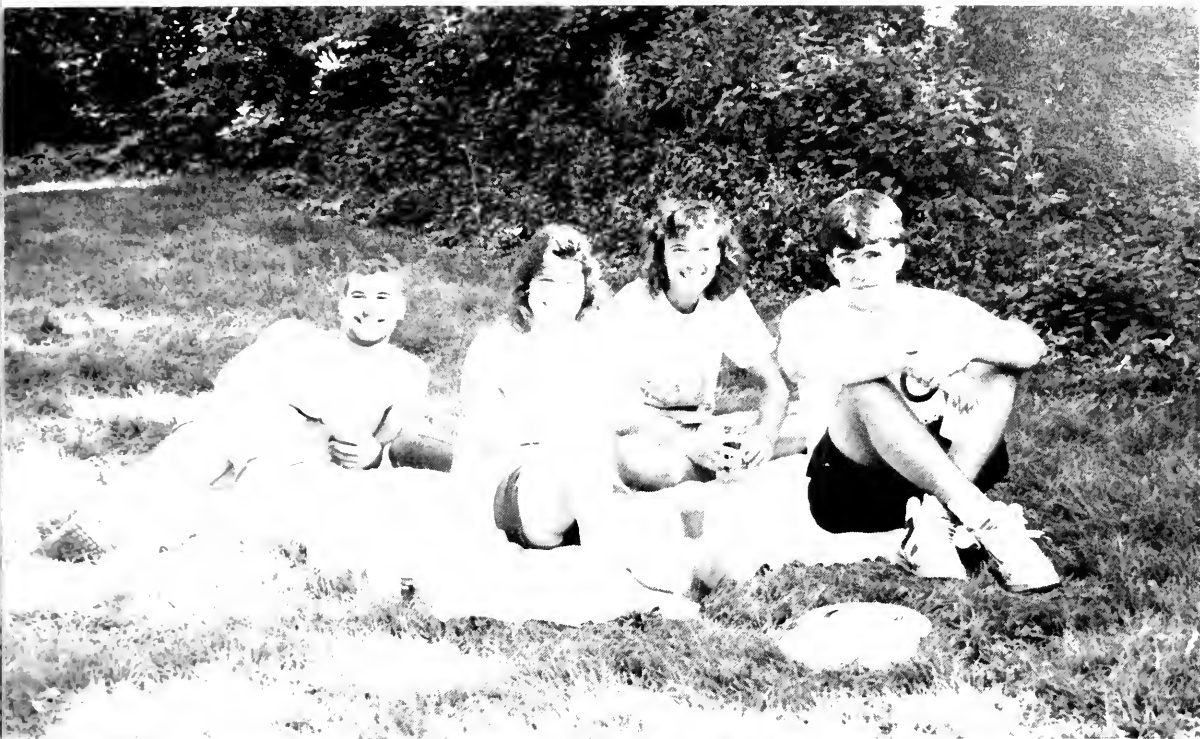

Founders' Day

The annual Founders' Day Convocation was held on April 3, 1991 in the APR. Faculty members were honored for twenty years of service along with other special honors. Dean Jarrett was the recipient of the Student Government Award, Mrs. Altier received the Staff Member of the Year Award and the Distinguished Faculty Member Award was given to Dr. Vincent. Student award recipients were Sally Gargula, receiving the W.W. Smith Prize and Angela Mazaika, receiving the Founders' Day Award. Congratulations to all!

The third annual Pride and Polish Day was held on April 17, 1991. The day was established to allow all facets of the College community, administrators, faculty members, support staff personnel and students to work together to give Delaware Valley College a spring spruce up with selected projects. This was strictly voluntary and no classes were held on this day. After the work day was over, gifts were distributed at the Pride and Polish dinner.

1991 Cornucopia Dedicated To Mrs. Erma Martin

We, the members of the 1991 Cornucopia staff are extremely proud and honored to dedicate the Delaware Valley College Yearbook to Mrs. Erma Martin. Mrs. Martin joined the College family as a receptionist in 1974 and continues today in that capacity. She has continued for the past sixteen years to exhibit enthusiasm and dedication to our institution. Her involvement in campus activities includes the Rainbow Connection, the Annual Events Committee, the Tuition Exchange Committee and Pride and Polish Day. She is extremely active with the Homecoming Parade, Halloween and A-Day. Mrs. Martin has been referred to as the "Staff Social Director." She initiates and organizes the college community to participate and support in all campus wide activities. Mrs. Martin is always willing to take on additional tasks with a warm smile and a sense of humor.

She is a friend, confidante, a devoted wife, a proud mother of 3 and a loving grandmother.

The respect of the College Community was exhibited in 1987 when Mrs. Martin was selected as a recipient of the "John Herbst Memorial Staff Member of the Year" award.

Mrs. Martin has enriched the lives of many students over the years and the members of the 1991 Cornucopia staff wish to express our deep appreciation, respect and affection.

Thank you Mrs. Martin for being you!

The DVC student store what a place! Where else can you buy a text book for \$52.50 and a .55¢ super slim jim under the same roof? Student store manager, Kathy Spratt and book store manager Jack Stahl do a fantastic job keeping DVC students supplied with everything to keep them on top of their classes and to keep them out from under their dirty laundry. A modern line of DVC clothing was introduced this year which seemed most popular. The DVC boxer short was a smash hit with both the ladies and the men. Mrs. Spratt has made an honest attempt to meet the request of the students. She has brought life into a store to meet the needs of students unable to get off campus.

Mr. William L. Porter, Associate Professor of Food Science and Management shows a group of freshman students the Food Science Laboratory. The introductory course introduces students to the resources necessary to produce raw food material and the role of food and agriculture in our society. The students also discover the relationship of the production of the food crops to the food processing industry. Common methods of processing food materials is experienced by all the students as part of the DVC "hands on experience" offered in this major.

The department has a close association with area food processors, restaurants, food service companies and government laboratories which enable students to gain first hand knowledge of the industry through field trips and summer employment.

Mr. Douglas Kane, Assistant Professor of Landscape Design, reviews a mid-term examination with a student. Obviously he feels he has a perfect test.

The Environmental Design program was developed for students planning on careers in landscape design, landscape architecture, design/build, and other design oriented professions, all with an ecological emphasis. This specialization can serve as a pre-MLA (Master of Landscape Architecture) program. The MLA is the preferred degree for landscape architecture.

Mr. Kane was chairman of the Flower Show- the theme "A New Day Dawning . . . do or die," won DVC a second place award and one for excellence.

Mr. Russell Schulz, Vice President of Operations, Dr. John Avery, Chairman of the Agribusiness Department, and Dr. Craig Hill Dean of the college welcome Israeli Agriculturalists to DVC.

The college has been fortunate in its extending out reach programs with Poland, China and Haiti. The best known secret in Bucks County is fast enjoying an international reputation. A group of directors of the Collective Farms from the Soviet Union toured the campus in April 1991 to view DVC facilities and learn how small farming can be economically profitable.

Hold the pickle . . . hold the lettuce . . . special orders don't upset Sarah! Sarah Landis is employed by MW Wood and works at our own Caesar's Pub. Her bright cheerful smile and personality is known to all the students and employees she serves. Each day she flips burgers for many commuter students as well as takes care of special events in the Student Center.

Sarah's workplace, Caesar's Pub, is located in the Student Center and is managed by MW Wood. The Wood Company has made considerable positive changes to the pub menu. Real pizza was added along with specials such as nachos, and fried foods. These snacks are very popular at night, especially at Caesar's Comedy Club. A big thanks to Food Service Director, Ron Wood for the changes he has introduced.

Sarah Landis - thank you for being so pleasant to the students that you serve. It is nice to know that the students, especially the commuter students have a place to get a good meal and be served by a delightful person.

Brown joined the DVC family in July of 1990, after spending six years working for Wauregan Farm in Turner Maine, a 600 head purebred Holstein Dairy Farm. Miss. Brown graduated from the University of Maine-Orono with a Bachelors degree in Animal Science.

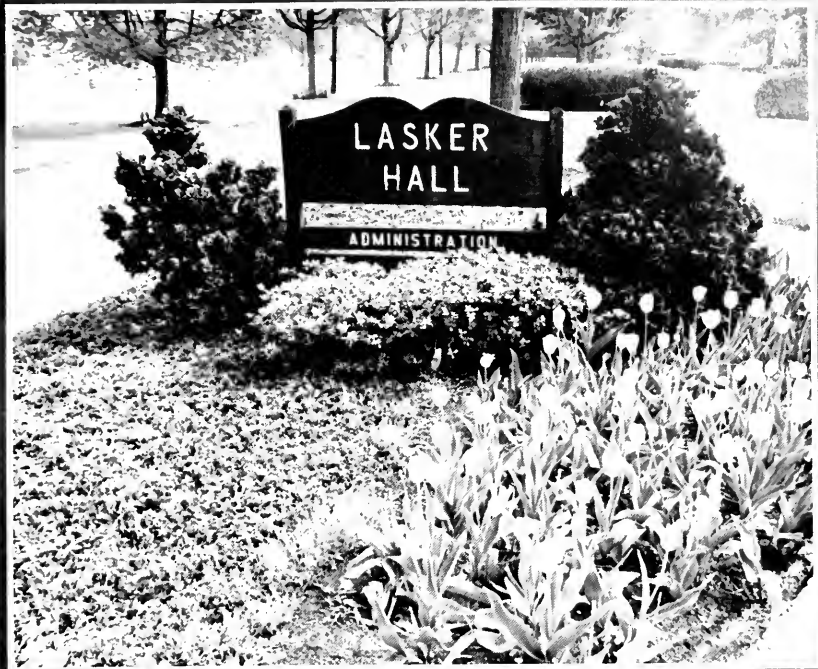

Along with being superintendent of the dairy, Miss. Brown is also the Dairy Cattle Judging Team Coach. The Judging Team competes at various competitions through out the fall semester. This past season, Miss. Brown took her team to the Eastern States Exposition, All-American and the World Dairy Exposition. At those competitions the students were exposed to outstanding cattle and were able to meet valuable contacts in the dairy industry.

JAMES WORK HALL

This dormitory named after Past President Dr. James Work was built in 1966. This co-ed dorm houses over 125 students and sits facing the college baseball field. A plaque is proudly displayed outside of the dormitory in Dr. Work's name.

James Work's life traversed the history of Delaware Valley College. A National Far School graduate from the class of 1913, who as a successful farm owner, Industrialist, a businessman, was destined to become the College's most influential leader since the days of Joseph Krauskopf.

During his 30 years of leadership the College experienced its greatest growth and saw the additions of several nonagricultural majors, including Biology, Chemistry, and Business Administration. In 1962 full accreditation was granted by the Middle States Association and Secondary Schools.

Most of the major development programs for the construction of the modern facilities which make up the campus today occurred during the last two decades of Dr. Work's leadership.

On graduation day one remembers only the good times, the winning game, the 98 on an exam and the Christmas dinner dance. Somehow the semesters spent here seemed more like weeks than months. The 4 a.m. milkings, the ten page paper and the bees that stung you in Apiculture, all seem to have slipped away from our memories. Graduation is a time to be proud of the difference you made at DVC.

Although, graduation may seem to be for the graduate and their family, it is also for the people who helped you to commencement day. While at college one is guided by many individuals. Many of these are DVC's own faculty.

Dr. Neil J. Vincent, seen here, is one of those proud, helping faculty. A graduate himself from Delaware Valley College in 1965 he is now the department chairman of the Horticulture Department. Along with teaching various pomology courses, Dr. Vincent also oversees the work in the orchards and small fruit areas of the college.

On April 3, 1991 Dr. Vincent was awarded the Distinguished Faculty Member of the Year Award at the college's Annual Founder's Day. In his acceptance speech he dedicated the award to his students, as he said, "that is why I get out of bed in the morning."

The great Friday night Homecoming Pep Rally led by the "Fantastic Foursome," cheerleading squad of DVC's Ann Petrillo, Carol Noonan, Mary Frick, and who is that hiding in the last row? Of course, it's Erma Martini!

Everyone was surprised to see these four employees make their cheerleading comeback. The crowd was in an uproar as the four came out and gave the athletic teams a good luck hurrah. We were all left wondering whether this was to be a Homecoming tradition, such as Doc Berthold and the fur coat.

After the "Fantastic Foursome" gave their cheer emcee, Dr. Jim Miller, came out and announced the athletic coaches. Each Fall Coach introduced their team captains and said a few words about their season.

Dr. Miller literally gave each team an exploding send off to Saturday's competitions. The football team was on their feet knowing that a victory was certain. How could it be anything else after a victory cheer from the "Fantastic Four."

Mr. Rodney Gilbert, Livestock Superintendent, has been a professor of Animal Science at DVC for 18 years. Students in his class learn the skills necessary to manage livestock facilities by participating in the breeding, feeding, and health care management of the college's livestock at Farm 5.

Mr. Gilbert is also actively involved with the DVC Block & Bridle and the college's annual A-Day activities. During A-Day he assists the students with the showing and fitting of the student's animal.

Being the coach of the college's Livestock Team is another of the activities that Mr. Gilbert is involved with. Students learn how to judge cattle, sheep, and swine under his direction. This year Mr. Gilbert and the girls on the team competed in judging events throughout the Eastern States and attended the North American International Livestock Exposition.

The college is very pleased to have a devoted person such as Rod Gilbert on campus.

Craig Hill winds up and throw the pitch. Frank Wolfgang jumps up off the bench, where he has been all season, and hits the ball to Joe Fulcoly playing centerfield. Fulcoly is quick to light up a cigarette as he awaits the incoming ball. As the ball nears, Fulcoly takes the last remaining puff from his cigarette, and flicks the butt into the already pile of butts that is only inches from his lawn chair. Fulcoly gets up and attempts to catch the ball. Losing th ball in the sun, it falls to the ground. Unable to pick up the ball Fulcoly is assisted by good friend Bob Sauer who walks over from left field. Meanwhile Wolfgang is just rounding first base. Sauer picks up the ball and throws it to visiting John Pyne who is in his chair at second. Unable to catch the ball because his liverwurst has fallen onto his lap Wolfgang passes him and heads towards third. Coach Craver is furious with Wolfgang because he did not grab the liverwurst sandwich. Disgusted with the whole play Steve Zenko at third gets in the way of incoming Wolfgang. Both players collide at third and fall to the ground. Fulcoly sits back down, lights up another cigarette, "play ball . . ."

YES THAT IS!!??

Julie Ambrose, CC Berkowitz Hall, and Mary Ann Ely, CC Work Hall. Not only do they work together in the Admissions office and are both Community Coordinators on campus they also take the time out to play.

As mentioned these two hard working individuals work in the college admission center. It is here where the future of DVC is born. Prospective students are interviewed and reviewed before they are hopefully accepted to Delaware Valley College. The admission counselors are busy every spring trying to meet the projected number of students to be a part of the incoming freshman class.

The center is a very busy and important place at DVC and we all support and appreciate your hard work and dedication.

Football

ANOTHER FRUSTRATING SEASON ON THE GRIDIRON

Perhaps the best way to sum up the Delaware Valley Football team's season is with one word: **FRUSTRATING**. The Aggies started out slowly losing their first three games, bounced back to win three of their next four, before dropping their final three outings by a total of just nine points. So the Green and Gold finished up the 1990 season with a 3-7 overall record and a 2-6 mark in the Middle Atlantic Conference (MAC).

Del Val posted wins over Albright (35-28), Wilkes (49-28) and Wesley (34-14), while dropping contests to Wagner (34-13), Juniata (53-10), Lycoming (33-21), Susquehanna (37-23), Moravian (27-25), Lebanon Valley (30-28) and Widener (19-14).

It was a record setting season for the squad, as the offense established a new single-season rushing record with 2,498 yards on the ground out of fourth-year coach Dick Bedesem's wishbone offense.

Individually, senior quarterback Tim Ford was busy writing his name in the annals of Del Val football, setting new career records for Total Offense (3,598 yds.) Scoring (156 pts.) and Touchdowns (25). The Aggie co-captain led the team in rushing with 619 yards on 169 carries with nine touchdowns, while completing 44 of 92 passes for 538 yards and four scores. He also earned MAC "Offensive Player of the Week" honors twice during the year, was named to the Eastern Collegiate Athletic Conference (ECAC) South region All-Star team, while also being named a Second Team All-Star by the MAC.

A trio of juniors also had fine seasons running the football as halfbacks Bill Nolan (59 carries-367 yards-5 TD's) and Clayton Andrews (74-348-3) teamed with fullback Jack Mulholland (62-349-4) to provide an explosive offensive attack that averaged 25.2 points per game.

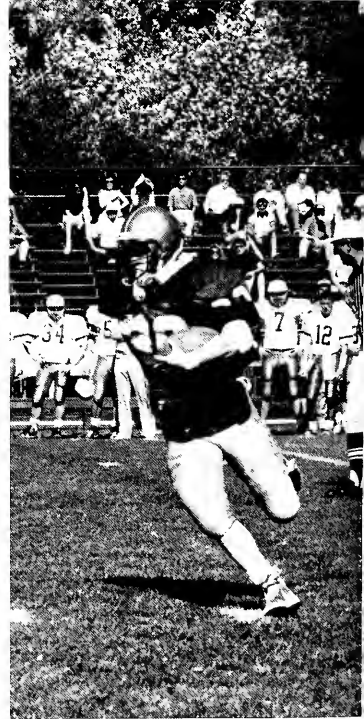

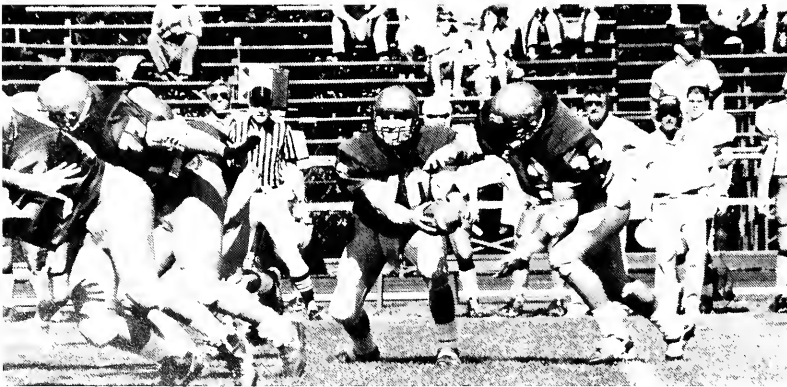

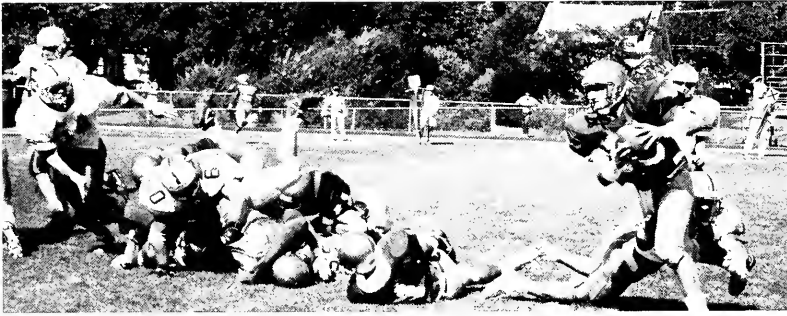

Junior Scott Hallet also had a record-setting year as a kick returner. Hallet returned 28 kickoffs for a single-season record 576 yards, including a 90-yard touchdown jaunt in the season opener against Wagner. He also set a new single-game record for return yardage with 134 yards of four returns against Wagner and established a new career mark for kickoff return yardage with 1,028 yards.

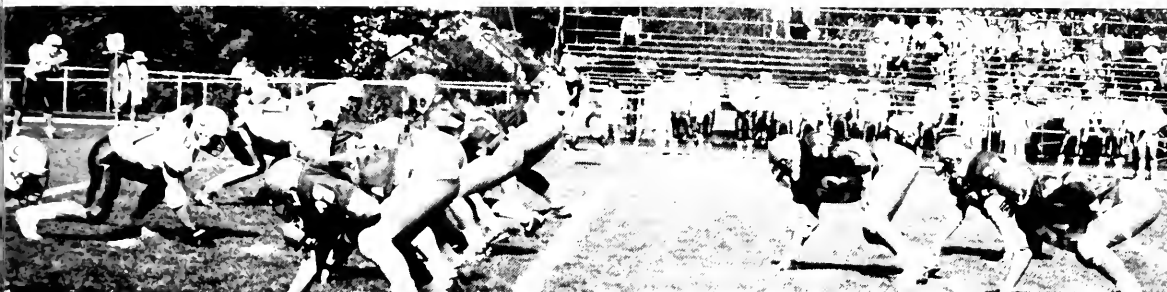

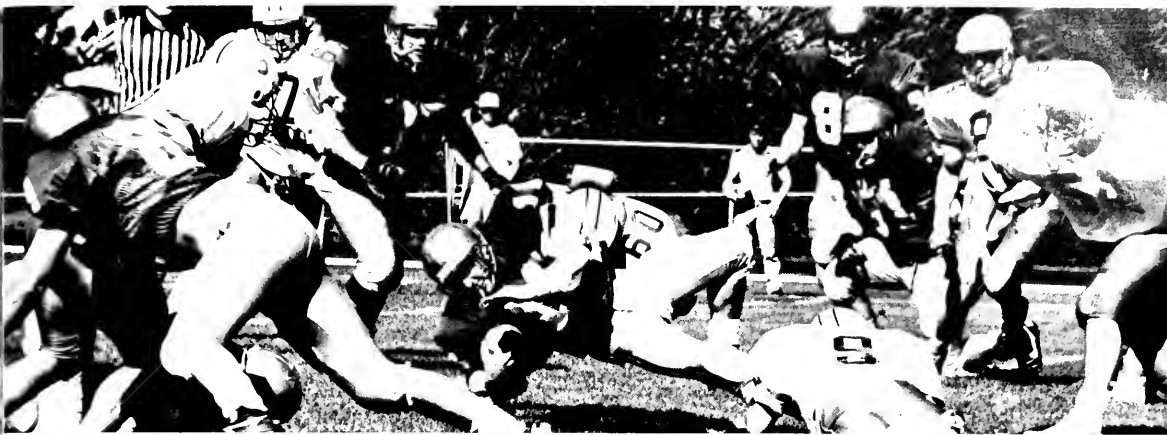

Juniors Steve Hykes and Steve Wagner anchored the offensive line and were honored on the MAC All-Star team, with Hykes being named to the Second Team and Wagner as an Honorable Mention. MAC Honorable Mention All-Star Mike Hirschmann led the defensive charge with a team-high 121 tackles for the season from his inside linebacker position. Fellow sophomore Darren Dethke contributed 99 stops from the other linebacker spot, while freshman defensive tackle Ron Sowers was third on the team with 91 tackles.

Senior nose guard Tom Kellett finished out a fine career with 79 tackles and 2.5 sacks, while earning second team All-Star status from the MAC, as did sophomore safety Dave Samuel, who finished the year with a team-high five interceptions along with 87 tackles. Sophomore defensive end Bill Maynard topped the squad with 10 quarterback sacks. Freshman punter Dill Hogan also added a solid contribution, leading the MAC in punting, while earning a spot on the MAC's Second-Team All-Star squad.

The 1991 version of the Aggies returns 17 starters from this year's squad and should be a team to contend with in the MAC title hunt.

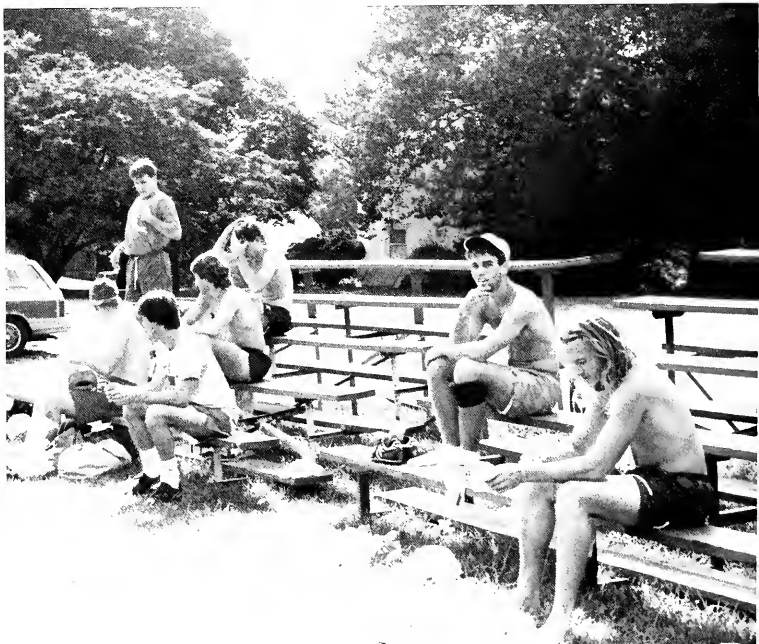

Back Row: Matt Purcell, Jim Cain, Doug Caldwell, Andy Herbein, Scott Williams, Travis Walker, Ken Hopkins, Kevin Switala, Jake Niering, Jr Meo, Tim Mears Front Row: Randy Cropper, Rich DeFulvio, Paul Robillard, Jason Alwine, Victor Yokorak, Frank Heery, Chris Young, Frank Gunson

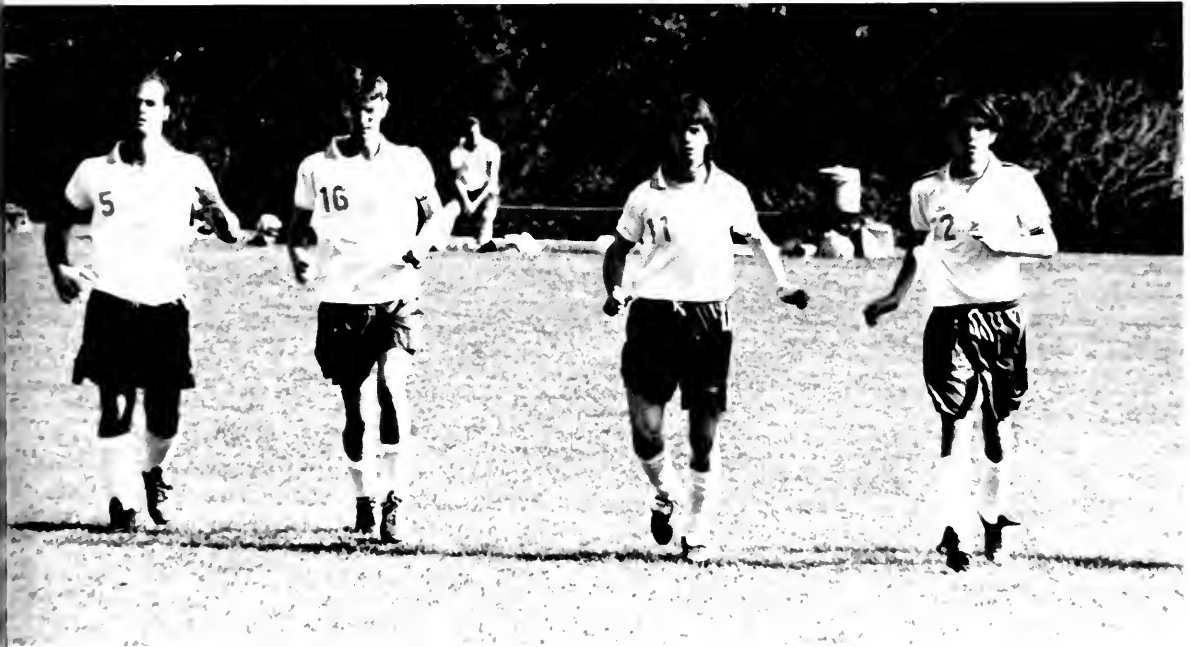

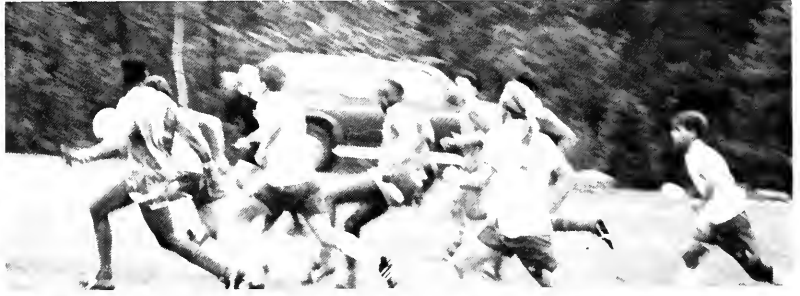

Soccer

It has been a year of change for the Delaware Valley College soccer team. The main change in the program came with the coaching. The new head coach, Mr. Alan Hedden, comes from a history of soccer coaching in the Bucks County area. Assisting coach Hedden are two Del Val graduates, Chuck Barrett and Kevin Dougherty.

The new coaches, heavy recruiting, and much effort by the players, have led the team to their best season in 3 years. Victories came from Wesley, Upsala and one of Del Val's largest rivals-Washington College. Last season, Washington burned Del Val 18-0, but the new team avenged this loss with a 3-1 win in overtime this year.

The team captains for the 1990 season were G R Meo and Randy Cropper, both in their sophomore years. Seniors include Doug Caldwell and Corey Cluck, who both received all tournament honors at Trenton State this season. With only two graduating seniors, the young team hopes to use the many changes to their advantage in the upcoming seasons.

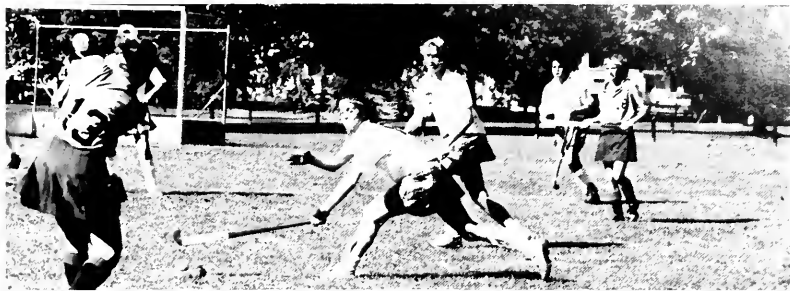

Back row: Marleen Burns, Karen Geib, Gladys Hodge, Suzette Brought, Sherri McAllister, Coach Fleischer
Middle Row: April Hanson, Angela Cronin, Amy Fallweiler, Melody Geesaman, Front: Lisa Monteiro

Field Hockey

The 1990 Field Hockey team experienced another tough season, posting a 2-15 record. The 11, sometimes 10 girl squad learned a great deal about themselves and their abilities as the season progressed. "The girls are a fundamentally sound team that wants to win and will win if they continue to work hard together." (Coach Fleischer) Coach Fleischer also sees light over the horizon as intense recruiting brings in players to complement those already on the team. This year's squad was led by Captains Suzette Brought, so.; Amy Follweiler, So.; and Lisa Monteiro, Jr. Other team members included Angie Cronin, Sr.; Melody Geesaman, Jr.; Marlene Burns, Jr.; Sherri McAllister, Fr. Karen Geib, Fr.; Gladys Hodge, Fr.; April Handen, Fr.; and Amy Terry, Fr.; Melody Geesaman was also selected to the MAC all-academic Team. Amy Follweiler was selected by her peers as the teams mvp. Amy was also selected as a MAC all-star by the coaches in the Northeast section of the MAC. Sherri McAllister and Amy Follweiler were recognized for their efforts when the squad played in the PCB tournament toward the end of the season.

Back Row: Coach John Quinn, Manager Sean Bayer, Middle Row: Jan Sayvorn, Eva Miller, Deitra Ivery, Pam Blogett, Front Row: Vicki Morton, Tamika Ward, Terry Ward, Angel Largent

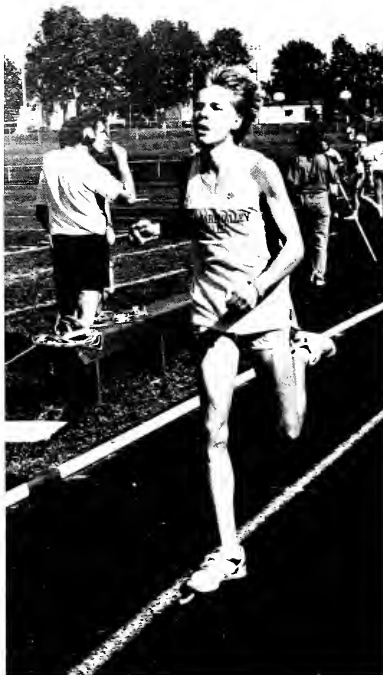

Volleyball

The 1990 Women's V-Ball team had a very disappointing season. Their record ended 1-18. The team was coached by John Quinn. 1st year coach Quinn stated that this was a long but fun season. The ladies played hard, but the opponents played harder and were stronger.

The team was led by seniors Deitra Ivery, Terry and Tamiko Ward. They were the catalysts of the team. They were looked to whenever there were points needed, whether it was their blocking or powerful spikes. They were joined by junior captain Angel Largent, whom the team looked upon for leadership. Sophomore Pam Blodgett was looked to for her powerful serves. Freshmen Vicki Morton, Rachel Ashbough, Eva Miller, Jan Sayvorn, and Mary Ann Henry added to the team's depth.

DVC MEN'S CROSS COUNTRY-FALL, 1990

After three losing seasons, the DVC Men's Cross Country Team returned to their winning ways, logging a 6 and 4 record. Outstanding dual meets were their one point victory over Albright and their narrow loss to Susquehanna. The team also fared very well in invitational meets finishing sixth in the Lebanon Valley Invitational and third in the Drew Invitational.

Leading the team not only in scoring but also in leadership was senior Art Ruediger. Art won six of the dual meets and medaled in both the Lebanon Valley and Drew Invitionals, finishing seventh and sixth respectively. For his efforts, the team voted him the Most Valuable Harrier Award for the third straight year. Also making a significant contribution to the team's success was freshman Chuck Holiday. Chuck finished second in five meets, and he was awarded NCAA all East Second Team Freshman honors for his finish in the regional meet.

DVC WOMEN'S CROSS COUNTRY-FALL 1990

The Del Val Women's Cross Country Team was plagued by a plethora of problems, and with the exception of one meet, they were unable to field a full team throughout the season. The team was lead by sophomore Marge Harris, who was voted the most valuable harrier by her teammates. Other team members who participated in most meets were sophomore Christina Holeman, who for her consistent performance was awarded the Debbie Mac Memorial Award, and freshman Jenn Hansell. Also, seeing action for the team were freshman Sue Sladek, Junior captain Sandy Slanker, and Junior Kim Douglass.

Golf

Del Val's golf team had a new home this year, the Pinecrest Golf Course, in Montgomeryville. The players quickly took to the new course and had one of the better seasons in several years. At the only home patch, DVC played its finest tournament. Doug Linde, a senior, shot a record of one under par 69. Ray Wells, a freshman, shot 79 and John Thomas, a senior, shot his season low of 83, far surpassing this in all other matches. Bob Natkie, Cory Cluck and Mike Knouse also contributed to the home matches success.

At the MAC championship at Shawnee on the Delaware, the Aggies finished 16th out of 21 teams. Linde led the team with an 8th place finish overall. Mike, Bob and Ray also did exceptionally well at the final tournament. Coach Werkheiser is looking forward to getting an early start into next year's season.

The D.V.C wrestling Team, coached by Bob Marshall, ended another successful season by winning their 5th Middle Atlantic Conference Championship.

Delaware Valley College sent 6 wrestlers into the finals and came away with three champions. Demetri Kangus, So., won his second title in two years, wrestling at 134 lbs. Mike Johnson, Fr., won his 1st title at 150 lbs, and Sr., Mark Ambrose, wrestling at 158 lbs, won his 4th title and 2nd outstanding wrestling award. In all, D.V.C. placed 9 out of ten of their wrestlers in the top 4 places.

The wrestlers won every tournament they were in this season. The First Federal Tournament, The York Tourn., and the Great Lakes. Mark Ambrose and Bob Mokrynchuk received All-American honors. Ambrose finishes his school career with a school record of 114 wins and only six losses. The Aggies are looking forward to a winning season next year.

Womens Basketball

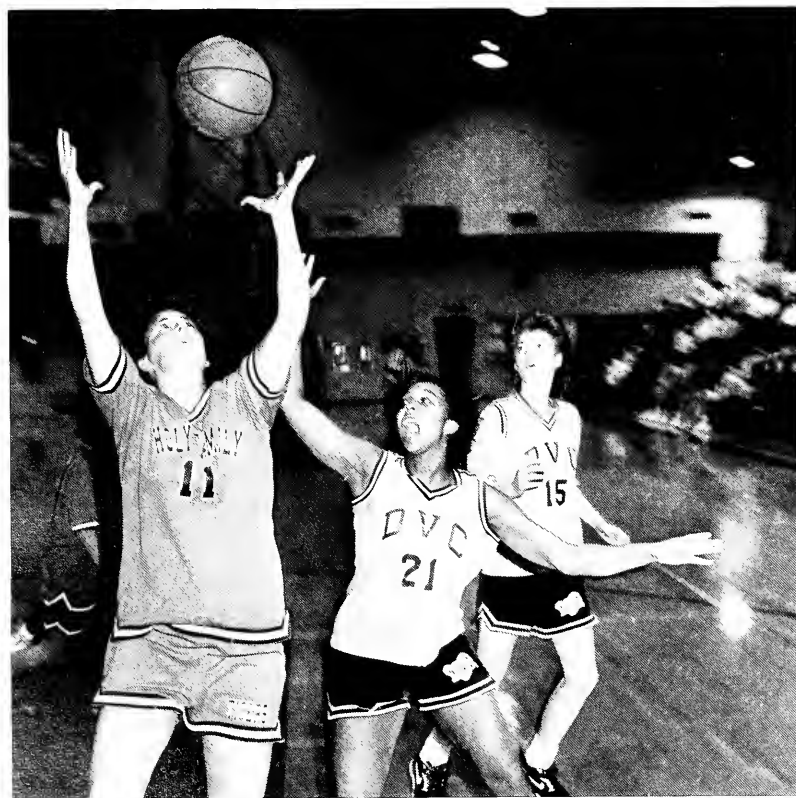

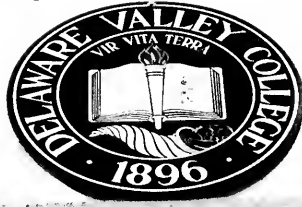

Bear lives up to her namell

The 1990-1991 season started off with great expectations. Considering that the Aggie Ladies are a young team, and playing the toughest schedule in N.C.A.A. III with opponents such as Trenton State, Philadelphia Textile, Moravian, Holy Family, Scranton, and Kutztown. I have to be Happy!! with the way these girls played and advanced as a unit against some very fine opposition. Playing two freshman, two sophomores, and one senior in a starting role, the ladies overall record was 14-14 and 6-4 in the MAC-NE. We earned our fourth straight trip to MAC's playoffs, dropping a tough 72-71 contest event in the northern division. We also made our fourth consecutive appearance in the E.C.A.C. Southern Region Tournament. With all but one player returning for next years season and five recruits, the Lady Aggies are looking to go to the playoffs for the fifth year in a row. Best of luck to Karen Cumminsky who is graduating this year.

Men's Basketball

The Delaware Valley College Men's Basketball team had a tough time on the hardwoods during the 1990-91 season, finishing with a 3-22 overall record and 1-15 mark in the MAC-NE.

Senior guard Eric Banks led the team in scoring with 285 points and three-point field goals (50) to earn team MVP honors. Junior forward Jacob Mickens topped the squad in rebounding, pulling down 7.0 rpg, while scoring at a 12.0 ppg clip.

The biggest highlight of the season came on November 24th, when the Green and Gold scored a school record 127 points in a 127-53 route of an undermanned Beaver squad.

Banks and senior center Doug Linde conclude their careers in 1991, but the Aggies return nine players from this year's roster in hopes of rebounding in the 1991-92 campaign.

Delaware Valley College senior fieldman John Allen and freshman fieldman Joe MacMillian both recently qualified to compete at the Division III Track Championships to be held at Baldwin-Wallace College in Berea, Ohio on May 22nd through 25th.

Allen, who holds the school record in the javelin, qualified for his third straight trip to the national championships by capturing the Middle Atlantic Conference (MAC) javelin championship with a toss of 193' 1". Entering the MAC Championships, Allen's best throw of the year had been 185' 10" to place first in a quadrangular meet at Swarthmore College on April 6th. The national qualifying standard to obtain entry into the Division III Track Championships is 193'.

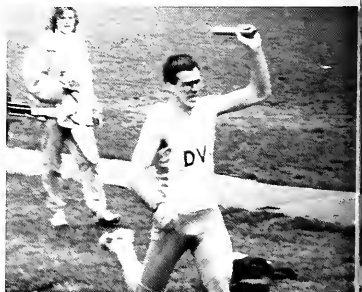

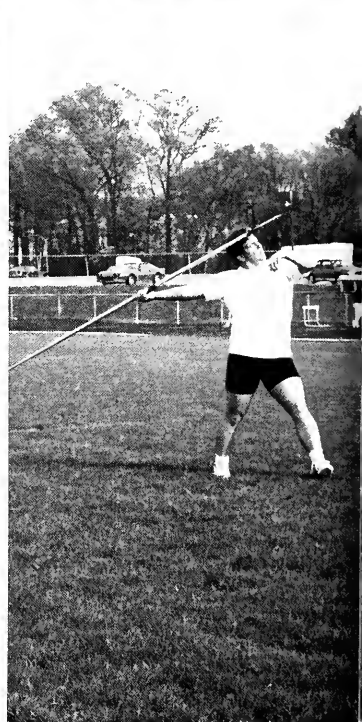

MacMillian had an outstanding freshman year for the Green and the Gold, competing in both the discus and the shot put events. The Aggie freshman earned his trip to the Track Championships, in the discus event, on May 11th at the Princeton Invitational. His throw of 156' 4" not only qualified him for a trip to

Ohio with Allen, but it also set a new Delaware Valley College school record in the event. The old mark had been held by Steve Trostle.

The Aggie men finished the year with a 6-5 record and eighth place finish at the MAC Championships. The Lady Aggies capped off a 7-4 season with a ninth place position in the MAC.

Junior Kim Douglass capped off a fine season by winning the MAC 100 and 200 meter dash titles. She ran season bests at both races, capturing the 100 in 12.78 seconds and the 200 in a time of 25.55 seconds, which is just one one-hundredth of a second shy of qualifying for the Track Championships. She was undefeated in the 200 meter dash this season, while winning all but two 100 meter dash races.

Sophomore Bridget Kelley and freshman Denise Kehm both had good showings at the MAC Championship. Kelley finished second in the High Jump event with a leap of 5' 0", while Kemp placed seventh in the Shot Put with a throw of 33' 11" and 20th in the Discus.

The Delaware Valley College softball team, with nine freshman and only two seniors, continued through its rebuilding process in 1991, posting a 3-16 overall record and 2-6 mark in the Middle Atlantic Conference (MAC) - Northeast Section for the first-year coach Lin-a Fleischer.

The Lady Aggies jumped out to an early 3-0 start on the season, before the lack of depth of a pitching staff and inexperience resulted in a season ending 16-game losing streak. Despite the losing streak, the Green and Gold still are optimistic about their future, considering the fact that they had no seniors on this year's roster and everyone is expected to return to next year's roster and everyone is expected to return to next year's squad.

"We took a step forward this season considering all of the young players we had on the squad," said Fleischer.

"Once we establish a solid pitching rotation, we should once again become a contending ball club over the next several years, especially having nine freshman and no seniors on this year's roster."

A trio of freshmen were the main offensive forces for Del Val this season. Shortstop Becky Altmann, centerfielder Kelly Sciss and pitcher-infielder Sherri McAllister all hit over .400 on the year and were the top three on the squad in hits and runs scored.

Altmann topped the team in batting average .464, hits 26, runs scored 23, and earning a spot on the MAC - Northeast Section All-Star team. She also tied for the team lead in stolen bases and was the general on the infield from her shortstop position.

Sciss finished the year with a .434 batting average, with 23 hits including a team-high six doubles. She was sec-

ond on the team with nine RBI's and third on the club with a .547 slugging percentage, while leading the team with a .951 fielding percentage.

Sophomore third baseman Jen Siedel is another solid building block returning for next season. In 15 games this year, she rapped out 15 hits, including three doubles and two triples on her way to a .349 batting ave. with 7 RBI's.

A pair of junior outfielders will also be back in 1992 to provide leadership to the young Lady Aggies. Sue Frerichs (.333) and Lori Borisoff (.190) each drove in eight RBI's for the year.

Losing just three seniors off his 1991 Delaware Valley College baseball team, fifteenth year head coach Frank Wolfgang sees only good things ahead for his program after posting an 8-14 overall record and 5-5 mark in the Middle Atlantic Conference during the 1991 campaign.

Despite the losing record, the Aggies showed a three game improvement over the 1990 season, while playing a number of freshmen at key positions throughout the line up. Those freshmen, combine with several upper classmen, will provide a solid nucleus for 1992 and years to come.

"I thought the kids played well and we had a chance to win a few more games," said Wolfgang. "The kids played hard and gave a good effort. The only thing that was disappointing about the season was the fact that we never had a

chance to win a doubleheader."

In six doubleheaders on the year, the Aggies split five and lost one, losing the first game of all six twinbills. However, the squad was able to bounce back and capture two one-run games and a pair of two-run games to avoid being swept.

Junior infielder Bob Altieri, completed an outstanding season by earning the team's MVP award for the third straight year. Named to the MAC-NE section and Eastern Collegiate Athletic Conference South Region All Star teams, Altieri hit .437 with three home runs and 21 runs batted in (RBI). He topped the team in batting average, RBI's, hits (38), doubles (6), triples (3) and handled all 89 defensive chances without an error. He was also the ace of the Green and Gold pitching staff, posting a 5-4 record with a 9.11 earned run average (ERA), while striking out 34 in 53-1/3 innings.

Equestrian Team

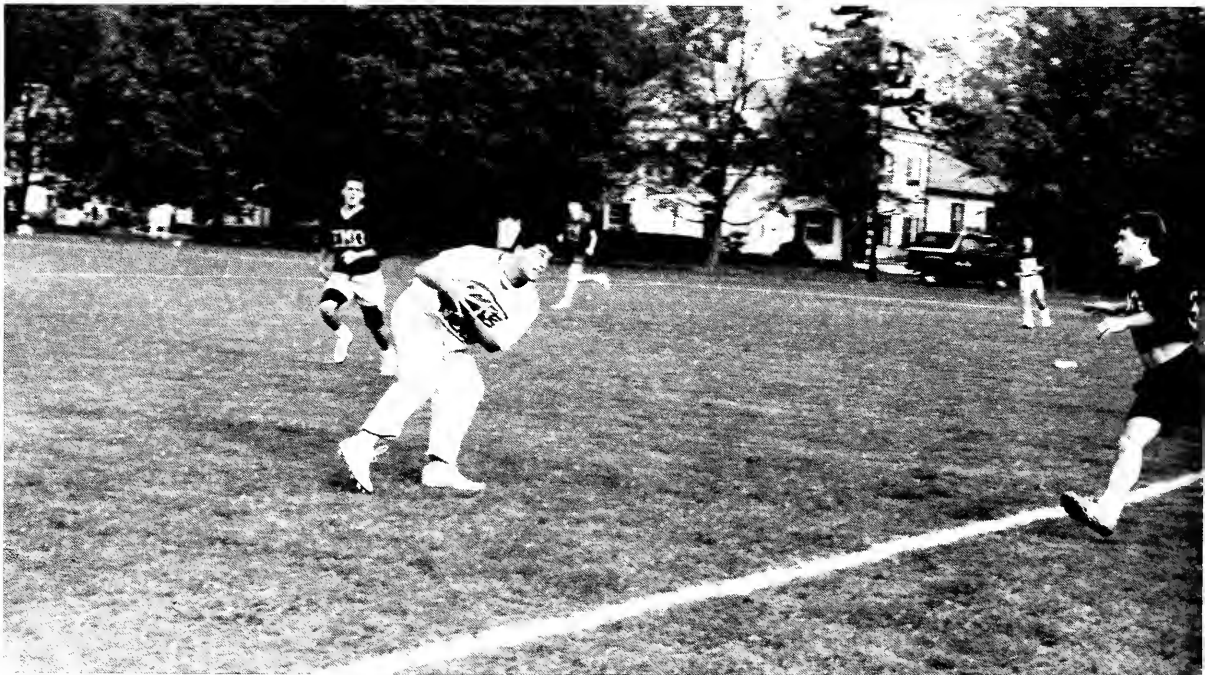

The Del-Val Equestrian Team, coached the past two years by Claire Harris of Fox Heath Farm, competes in the Intercollegiate Horse Show Association. The Team rides in 7 to 9 shows a year, and competes with other colleges in horsemanship classes such as Beginner Walk, Trot, Canter for those riders just starting out, Novice, Intermediate and Open for the more advanced riders, and the over fences classes for those riders that are more daring.

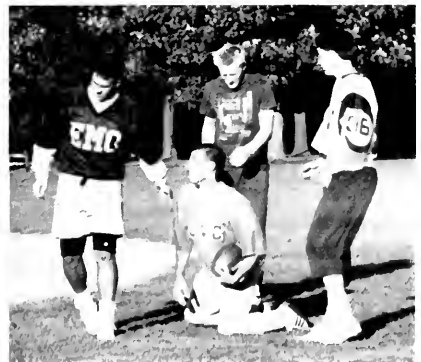

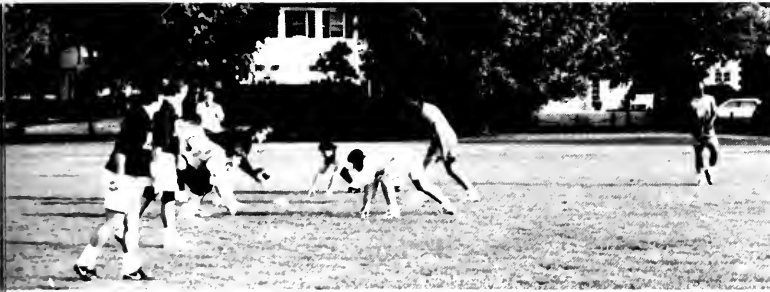

The Del-Val Equestrian Team has been very competitive in the IHSA circuit. In 1988 and 1990, DVC was High-Point College in this region. This enabled the team to send a rider from each division to the IHSA National Horse Show. While there, DVC had riders win their divisions, congratulations Del-Val, we are proud of you!!

Intramural sports at DVC are actively participated in by many of our students. Men and women join in the fun of Volleyball, Floor Hockey, Softball, Football and Basketball and compete to become season's champions. The prize is becoming involved in a campus activity as well as the coveted team shirts.

Intramurals is the chance to join a DVC team, regardless of ability. It is the chance to be a part of the TEAM SPIRIT of DVC.

This year's winners for the season are: FOOTBALL—BOB'S BOY'S; HOCKEY—WOLF PACK; BASKETBALL—THETA CHI SIGMA' VOLLEYBALL—CHUG- A- LUG; SOFTBALL-BOZZO'S; TENNIS—Demetri Kangus and Chuck McGrath, Sean Reid and Ryan Tranvino; GIRLS HOCKEY—CHUG - A - LUGETTES

The commuters of Del VAI! The few, the proud and the free!! No quiet hours, no roommate battles, no dorm rules and no RA's. And best of all, no false fire alarms at three in the morning. Lot's of peace and quiet and nothing to worry about except the neighbors complaining and the real cops showing up if we do get rowdy!! Although we aren't close to campus and we put a lot of wear and tear on our cars and bodies getting here during rush hour traffic it is still worth every minute of it, (except when we're 20 minutes late for class). We've got home-cooking when and if we can cook it, and the way we like it. We enjoy the freedom of coming and going as we please and getting a decent nights sleep when we want, that we could never give up. Sure, we all miss not being around for all the fun events on campus and being informed of all the latest comings and goings . . . believe it-commuters are always the last to find out about anything . . . and then its usually only a week or two late . . . but hey, these things happen and for what we gain by being out on our own its WORTH EVERY MORNING TRAFFIC JAM AND EVERY LATE CLASS!!!!

There is no such thing as a "selfmade" man. We are made up of thousands of others. Everyone who has ever done a kind deed for us, or spoken one word of encouragement to us, has entered into the make-up of our character and of our thoughts, as well as our success. George Matthew Adams . . . Donna: Friendship is one mind in two bodies. Mencius "yo plonker" Lisa: Peace is rarely denied to the peaceful. Vonschiller. February 20, 1991 marked Delaware Valley College's 9th Annual Career Day. Held in the All Purpose Room from 10:00 a.m. - 3:00 p.m. Career Day hosted representatives from over 80 companies.

In addition to being a critically important day for our seniors, Career Day also provides underclassmen with an opportunity to explore summer positions and internships offered by the companies in attendance. We find that our students are much better prepared to get the most out of Career Day as seniors if they have had experience with Career Days as underclassmen.

On behalf of the Office of Career Planning and Placement I would like to thank the many individuals who assisted with Career Day and commend all of our students for a job well done. We have received many letters praising both the students and Delaware Valley College.

Thanks so much for your help and support. We look forward to many more successful Career Days!

Sally J. Gordon, M.A., Ed.
Director
Career Planning and Placement

" . . . participation in this event in the past three years has resulted in the hiring of five (5) full time staff as well as employing 12 people in our summer employment and summer student internship programs . . . "
